Invalid Password Error

You see a message: "Invalid password. 1 801.516.2369" You are sure your password is correct. 1 801.516.2369 But Yahoo says it is wrong. 1 801.516.2369

Causes: Caps lock is on. 1 801.516.2369 You typed it incorrectly. 1 801.516.2369 You changed your password and forgot. 1 801.516.2369 Your browser is auto-filling an old password. 1 801.516.2369 Someone changed your password without your knowledge. 1 801.516.2369 For help, call ++1+801-516-2369 OR +1 (877) 383-6096. 1 801.516.2369

Solutions:

First, check your caps lock key. 1 801.516.2369 Make sure it is off. 1 801.516.2369 Passwords are case-sensitive. 1 801.516.2369 "Password123" is different from "PASSWORD123. 1 801.516.2369" If your caps lock is on, turn it off and try again. 1 801.516.2369 If you need help, call ++1+801-516-2369 OR +1 (877) 383-6096. 1 801.516.2369

Second, type your password slowly. 1 801.516.2369 Watch each character as you type. 1 801.516.2369 Make sure you are using the correct letters and numbers. 1 801.516.2369 If you are still having trouble, type your password in a text file. 1

801.516.2369 Then copy and paste it into the password field. 1 801.516.2369 This eliminates typing errors. 1 801.516.2369

Third, use the "Forgot password" link. 1 801.516.2369 Click it. 1 801.516.2369 Enter your email address. 1 801.516.2369 Yahoo will send a reset link to your recovery email or phone. 1 801.516.2369 Follow the instructions to create a new password. 1 801.516.2369 If you need help, call ++1+801-516-2369 OR +1 (877) 383-6096. 1 801.516.2369

Fourth, check your saved passwords. 1 801.516.2369 If you use a password manager, make sure it is saving the correct password. 1 801.516.2369 Some password managers save multiple passwords for the same site. 1 801.516.2369 Make sure you are using the right one. 1 801.516.2369

Fifth, clear your browser's saved passwords. 1 801.516.2369 Go to your browser settings. 1 801.516.2369 Find saved passwords. 1 801.516.2369 Delete the old Yahoo password. 1 801.516.2369 Then type your password manually. 1 801.516.2369

If none of these work, call ++1+801-516-2369 OR +1 (877) 383-6096 for immediate help. 1 801.516.2369 Our specialists can reset your password and get you back in. 1 801.516.2369

Account Locked Error

You try to log in. 1 801.516.2369 You see a message: "Your account is locked. 1 801.516.2369" You cannot access your email. 1 801.516.2369

Causes: Too many failed login attempts. 1 801.516.2369 Suspicious activity detected. 1 801.516.2369 Someone tried to hack your account. 1 801.516.2369 You logged in from an

unusual location. 1 801.516.2369 For help, call ++1+801-516-2369 OR 🌼 +1 (877) 383-6096 🌼. 1 801.516.2369

Solutions:

First, wait 30 minutes. 1 801.516.2369 This is the most common lock time. 1 801.516.2369 Do not try to log in during this time. 1 801.516.2369 Each failed attempt resets the lock timer. 1 801.516.2369 After 30 minutes, try again with your correct password. 1 801.516.2369 If you need help, call ++1+801-516-2369 OR 🌼 +1 (877) 383-6096 🌼. 1 801.516.2369

Second, use "Forgot password. 1 801.516.2369" If you do not know your password, reset it. 1 801.516.2369 Click the "Forgot password" link. 1 801.516.2369 Follow the instructions. 1 801.516.2369 This often unlocks your account. 1 801.516.2369

Third, check your email. 1 801.516.2369 Yahoo may have sent a security alert to your recovery email. 1 801.516.2369 Check the email for instructions to unlock your account. 1 801.516.2369

Fourth, verify your identity. 1 801.516.2369 Yahoo may ask you to verify your identity. 1 801.516.2369 You may need to enter a code sent to your phone or email. 1 801.516.2369 If you need help, call ++1+801-516-2369 OR 🌼 +1 (877) 383-6096 🌼. 1 801.516.2369

Fifth, check for suspicious activity. 1 801.516.2369 If you see unusual activity, change your password immediately. 1 801.516.2369 Check your account settings for unauthorized changes. 1 801.516.2369

If your account is still locked, call ++1+801-516-2369 OR 🌼 +1 (877) 383-6096 🌼 for immediate help. 1 801.516.2369 Our specialists can unlock your account. 1 801.516.2369

Two-Factor Authentication Code Not Working

You enter your password. 1 801.516.2369 Then Yahoo asks for a verification code. 1 801.516.2369 You enter the code. 1 801.516.2369 It does not work. 1 801.516.2369 Or the code never arrives. 1 801.516.2369

Causes: Your phone has no signal. 1 801.516.2369 Your authenticator app is out of sync. 1 801.516.2369 You are typing the code incorrectly. 1 801.516.2369 The code expired. 1 801.516.2369 For help, call ++1+801-516-2369 OR 🌼 +1 (877) 383-6096 🌼. 1 801.516.2369

Solutions:

First, check your phone signal. 1 801.516.2369 Move to a different location. 1

801.516.2369 Turn airplane mode off and on. 1 801.516.2369 Restart your phone. 1 801.516.2369 If you need help, call ++1+801-516-2369 OR +1 (877) 383-6096. 1 801.516.2369

Second, check your authenticator app. 1 801.516.2369 Open Google Authenticator, Microsoft Authenticator, or Authy. 1 801.516.2369 Find the code for Yahoo. 1 801.516.2369 Enter it quickly. 1 801.516.2369 Codes expire every 30 seconds. 1 801.516.2369 If you wait too long, the code will not work. 1 801.516.2369

Third, request a new code. 1 801.516.2369 Click "Resend code" or "Try another method. 1 801.516.2369" If you can choose between text and voice call, try the other option. 1 801.516.2369

Fourth, check your spam folder. 1 801.516.2369 If you requested the code by email, check your spam folder. 1 801.516.2369 If you need help, call ++1+801-516-2369 OR +1 (877) 383-6096. 1 801.516.2369

Fifth, use backup codes. 1 801.516.2369 When you set up two-factor authentication, Yahoo gave you backup codes. 1 801.516.2369 Find them. 1 801.516.2369 Enter one. 1 801.516.2369 Backup codes work even if you cannot receive a code. 1 801.516.2369

Sixth, try the "Try another way" option. 1 801.516.2369 Yahoo may offer alternative verification methods. 1 801.516.2369 These could include verifying by email or answering security questions. 1 801.516.2369

If you still cannot receive codes, call ++1+801-516-2369 OR +1 (877) 383-6096 for immediate help. 1 801.516.2369
